Project Number - 600603

Value - £50,000

Cat B fit out throughout the floors. We provided an effective modern and flexible office solution keeping the ceilings clear with the added advantage of keeping maintenance and running costs to a minimum. We used a combination of T5 modular in the open plan office spaces and linear recessed in reception and break out areas, CFL downlights and LED lighting for feature accent lighting were also supplied to break out and meeting areas.
